

CONSENT FORM FOR PARTICIPANTS IN RESEARCH PROJECTS

KING'S
College
LONDON

Please complete this form after you have read the Information Sheet and/or listened to an explanation about the research

Title of project: A Trial Exploring User Engagement with a Symptom-Tracking System for Depression (RADAR: Engage)	
Ethical review reference number:	Version number: v3.0 11/03/21
	Please initial box
1. I confirm that I have read and understood the information sheet dated 11/03/2021 (Version 3.0) for the above project. I have had the opportunity to consider the information and asked questions which have been answered to my satisfaction.	
2. I consent voluntarily to be a participant in this project and understand that I can refuse to take part and can withdraw from the project at any time, without having to give a reason, up until 09/08/2021	
3. I consent to the processing of my personal information for the purposes explained to me in the Information Sheet. I understand that such information will be handled in accordance with the terms of the General Data Protection Regulation (GDPR) and the UK Data Protection Act 2018.	
4. I understand that my information may be subject to review by responsible individuals from King's College London for monitoring and audit purposes.	
5. I understand that confidentiality and anonymity will be maintained, and it will not be possible to identify me in any research outputs	
6. I give permission for the researcher to access my data from the Remote Assessment of Depression and Relapse (RADAR) study that I previously participated in, and for it to be linked to data in the current study.	
7. I give permission for the researcher to write to my GP if circumstances require it.	
8. I consent to any interviews conducted during the study period being recorded. I agree to my data being shared with a third-party transcriber who will have signed a confidentiality agreement. I understand that I can refuse to participate in any study interview without it impacting my participation in the rest of the study.	
9. I agree to my anonymised data and quotes contributing to publications and other outputs.	
10. I agree that the researcher may use my data for future research, and that this may be shared anonymously with other researchers. I understand that any such use of identifiable data would be reviewed and approved by a research ethics committee.	

11. I know how to contact the researcher if I need to, and how to get information about the results of the research.	
12. (OPTIONAL) I agree that the researcher may retain my contact details so that I may be contacted in the future by King's College London researchers who would like to invite me to participate in future studies of a similar nature.
